

**REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS
OF SAN BERNARDINO COUNTY, CALIFORNIA
AND RECORD OF ACTION**

March 16, 1999

FROM: EMIL A. MARZULLO, Director
Special Districts Department

**SUBJECT: APPROPRIATIONS INCREASE AND ACCEPTANCE OF CONSTRUCTION –
HOLLIS M. STEWART CHILDREN’S PARK PLAYGROUND AND ACCESS
RAMPS, COUNTY SERVICE AREA 56 (WRIGHTWOOD)**

RECOMMENDATION:

1. Acting as governing body of County Service Area 56 (Wrightwood), accept contract with Heisler Landscape and Purchase Order with Schnitker Construction as 100% complete for construction of the Hollis M. Stewart Children’s Park, and installation of playground equipment and handicapped access ramps.
2. Approve \$5,200.00 increase in appropriations for improvements to land for construction of required handicapped access ramps and direct Auditor-Controller to make budget adjustments as follows:

Increase Improvements to Land CDW 380 380 410 4010 \$5,200.00

BACKGROUND INFORMATION: This project consisted of construction and installation of three-terraced playground areas complete with equipment performed under contract no. 98-596 issued to Heisler Landscape. During the course of construction it was determined by Special Districts staff that access to the playground area did not meet ADA requirements. Access requirements were not a part of original contract; therefore subsequent request for proposal and resultant purchase order was issued to J.W. Schnitker Construction for construction of handicapped access ramps. On December 28, 1998, a final inspection for all work was made by District staff and found to be 100% complete and in accordance with plans and code requirements.

REVIEW BY OTHERS: This action has been reviewed by County Counsel (Jean-René Basle) and Contract Compliance (Lee Wigington) and coordinated with the Second Supervisorial District.

FINANCIAL IMPACT: This project was funded by ECD Grant No. 240-23102/1631.
